Approve Early Replacement for Target Non-Contactless Cards to Accelerate the Contactless Rollout Timeline

Strategic analysis for Renee Castillo, Director of Card Operations

Approve the early replacement batch for the 30 cards expiring in 2029 and 2030 to utilize $240 in leftover year-end budget ($8 per card). This targeted action eliminates long-tail expiration bottlenecks and accelerates our contactless card modernization timeline by two full years.

Expiration Barchart

Cost Impact

Year of Expiration	Credit	Debit	Debit (Prepaid)
2026	$8	$5,984	$216
2027	$64	$5,808	$784
2028	$64		$376
2029	$136		
2030	$104
